## THE WEDDING PARTY

Just following Valentine's Day, *Inside Weddings* was there to congratulate newly engaged couples at Bloomingdale's signature registry events in Southern California. With the help of Bloomie's registry experts at both the Newport Beach and Century City locations, brides and grooms created their wish lists while meeting talented professionals in charge of every wedding detail. Generous participants at both events included Barnet Photography, Wayne Foster Music & Entertainment, The Cake Studio, Good Gracious! Events, Square Root Designs, Crandall Photography, Burrows Entertainment, To Love and To Cherish, Bread Basket Cake Company, Kirstie Kelly Couture, Luna Gardens, fitness trainer Doug Rice and Classic Party Rentals.
